

THE ANIMAL SPIRIT NETWORK EDUCATIONAL FORMAT IS...

- **Flexible:** Learn at your own pace through teleclasses, webinars, and on demand classes, combined with in-person learning opportunities.
- **Fun & Inspirational:** Enjoy learning from the animals and intuitive instructors in an educational community of animal lovers.
 - ~ Connect
 - ~ Communicate
 - ~ Reflect
 - ~ Share
 - ~ Inspire

- **Professional:** Certificates of completion available for each program of study. Specialty classes and core requirements integrated for a well-rounded learning experience that blends classroom, hands-on and professional development to help you succeed!

Within Animal Spirit Healing & Education Network, there are currently four unique, self-paced **programs of study:**

- Animal Communication
- Shamanic Animal Healing
- Animal Reiki
- Animal Loss & Grief Support

Our goal is to enhance the well being of animals and nature as we experience and appreciate our connections with each other. We offer courses for professional enhancement or personal enrichment.

EXPLORE, BUILD AND EXPAND YOUR CONNECTION WITH ANIMALS

Animal Spirit Healing & Education Network (ASN) is a collaborative school, offering educational classes and certificate programs in holistic animal care and intuitive healing arts. Our faculty members are top professionals who are dedicated and inspiring teachers. Our students range from people who simply want to connect more deeply with their animal companions; to healing arts professionals who want to expand their knowledge and develop their practice; to animal care professionals such as veterinarians, who are dedicated to providing the best in holistic care to their clients.

■ Explore what interests you!

ASN classes can help you deepen your relationship with animals, as well as build your knowledge of holistic animal care, intuitive healing arts and practical skills for helping the animals in your life.

■ Build a professional practice.

ASN's in-depth study programs offer you the knowledge and hands on skills to develop your holistic animal business. These programs consist of sequenced courses that build skill upon skill, and include classes in professional and business development areas, which provide a solid foundation to help you succeed.

- If you are **already an animal professional**, ASN courses can expand your skills and knowledge with a broad number of complementary modalities that are in high demand.

OUR MISSION

Our mission is to provide a community learning atmosphere that is fun, inspirational, flexible, and professional.

We desire to share wisdom and insight with those who are seeking new ways to support animals holistically.

Through this mission we empower others to transform lives, move forward, and co-create a world filled with inspired knowledge and innovation. We reclaim our responsibility to care for and nurture mother earth, the animals, nature, and our own well being.

START WITH OUR INTRODUCTORY AND LEVEL I CLASSES

Animal Spirit Healing & Education Network's open and flexible architecture is intended to provide support for animal caretakers, new and current program students, those who may already be participating in other training programs, or others already working professionally.

Our Introductory Classes are informative, educational and are a great way to explore a new modality. The selection of introductory classes include: Animal Communication, Shamanic Healing for Animals, Animal Loss Grief Support, Overview of Energetic Healing Modalities, Species Behavior, Holistic Animal Health, and Business Planning and Marketing.

You can easily find these classes on our Web site by browsing the **Introductory Classes** page.

Our Level I Classes delve deeper into our Study Program topics, and will lay the foundation for continuing your education and certification, if you so choose. These Level I classes are also wonderful for simply continuing your exploration of holistic animal care and the healing arts for animals. Our inspiring teachers will guide you to deepen your understanding of animals and their well being. Many class topics are offered, including **Animal Communication, Animal Loss Grief Support, Shamanic Animal Healing** and **Reiki for Animals**.
